### **IMPORTANT INFORMATION AND CONDITIONS OF ENTRY**

In all matters, the Chief Controller's decision shall be final.

It is a condition of entry that players agree to their grading information being published on the ECF Website.

The Organisers reserve the right to transfer players from one section to another or to refuse entry to any player without giving any reason, and to merge sections and/or to increase or reduce the prize fund and its distribution depending upon entries.

No player may win more than one prize. Ungraded players may not win a grading prize. Grades used will be those at January 2015. In the event of ties, all money prizes will be shared equally, while British Championship qualifying places will be determined by sums of progressive scores.

A junior is a player born on or after 1 January 1997. A slow starter is anyone who starts with 0/2 or 1/2.

Anyone arriving more than 30 minutes late for any round will be defaulted that game. Expect to be re-paired after 30 minutes if your opponent defaults.

Mobile phones must be switched off in the playing area. Any player whose mobile phone makes any sound during play, or who is found to be using or consulting any device capable of suggesting chess moves, will be immediately defaulted that game.

Free tea and coffee will be available during the Congress.
